Under the authority of the *Pest Control Products Act*, Health Canada's Pest Management Regulatory Agency (PMRA) has added new uses on Brassica (cole) leafy vegetables (Crop Group 5) and bushberries (Crop Subgroup 13-07B) to the product label of Allegro 500F Agricultural Fungicide, containing technical grade fluazinam. The specific uses approved in Canada are detailed on the label of Allegro 500F Agricultural Fungicide, *Pest Control Products Act* Registration Number 27517.

Corresponding maximum residue limits (MRL) were proposed in the consultation document published on 8 December 2009, Proposed Maximum Residue Limit PMRL2010-14, *Fluazinam*. The PMRA received no comments in response to this consultation.

To comply with Canada's international trade obligations, consultation on the proposed MRL was also conducted internationally by notifying the World Trade Organization, as coordinated by the Standards Council of Canada. No comments were received as a result of the World Trade Organization consultation.

The following MRLs take legal effect as of the publication date of this document and are in addition to the MRL already established for fluazinam.

Established Maximum Residue Limits for Fluazinam

Common Name	Residue Definition	MRL (ppm)	Food Commodity
Fluazinam	3-chloro-*N*-[3-chloro-2,6-dinitro-4-(trifluoromethyl)phenyl]-5-(trifluoromethyl)-2-pyridinamine	7.0	Bushberries (Crop Subgroup 13-07B)
		0.01	Brassica (cole) leafy vegetables (Crop Group 5)

MRLs are established for each commodity included in the listed crop groupings in accordance with Appendix I.

A complete list of all MRLs established in Canada can be found on the Maximum Residue Limits for Pesticides webpage in the Pesticides and Pest Management section of Health Canada's website.

Appendix I

Crop Groups: Numbers and Definitions

Crop Group Number	Name of the Crop Group	Food Commodities Included in the Crop Group
5	Brassica (cole) leafy vegetables	Bok choy Chinese cabbages Broccoli Broccoli raab Brussels sprouts Cabbages Cauliflower Chinese broccoli Chinese mustard cabbages Collards Kale Kohlrabi Mustard greens Mustard spinach Napa Chinese cabbages Rape greens
13-07B	Berry and small fruit Bushberry Subgroup	Aronia berries Buffalo currants Chilean guavas Currants Elderberries European barberries Gooseberries Highbush blueberries Highbush cranberries Huckleberries Honeysuckle Jostaberries Lingonberries Lowbush blueberries Native currants Salal berries Saskatoon berries (juneberries) Sea buckthorn
